NOTE TO THE FILE:

SUBJECT: President's Award for Distinguished Federal Civilian Service -  
1979 Award

On this date I called OPM and spoke with Rosalie Howse (632-4596) to inquire about the 1980 award notice and also about our 1979 nominees, Howard Stoertz and Robert Bowie. She said the candidates were selected in late December and our two nominees weren't selected. She will send me a booklet announcing the winners. I notified NFAC by pink router.
